Dear Friend,

At the end of this month we will be going back to Mexico just north of Puerto Vallarta to two small villages. We are returning to Higuera Blanca and also serving in a new village named La Cruz de Huanacaxtle. It's located on the Punta de Mita road going south from Punta de Mita, a sea-port and beach area. We will have a little over 50 going from the USA. Approximately the same number of our friends from La Fuente Church in Tepic will be joining us. They provide vibrant young people who are able to share Jesus with the hundreds of children we reach. They also help in sharing the Lord with the adults, give them a Bible or the Gospel of John as they leave our clinics and praying with each person for their needs. La Fuente Church also provides our music and worship at both villages. We are so thankful for their partnership!

COC's good friends Chuck Ball and Mike Appel will head up Adult Evangelism and Prayer Teams. Our team of Americans will be sharing the Lord, assisting doctors, dentists, optometrists and more. The Mexican Social Services called DIF are helping us again with food, water, shelter for the elderly, tables, medications, triage and translators. They will provide well over 50 helpers.

Dr. Lillie blesses this little girl with the gift of clear vision!

Our team will consist of over 120. Each trip we take is special and I always come home encouraged by our awesome team of volunteers. This trip they are coming from Mexico, Hawaii, Georgia, Pennsylvania, Illinois, Oceanside, Sunland and Orange County CA.

Your help is again needed for this outreach. We are renting 6 vans and a car. We have 2 vehicles paid for, but need help with the other 5. Gas, insurance and the rentals are about \$ 600.00 USD per vehicle. We also need to purchase **Children's Chewable Vitamins** in the US and in Mexico. We give money to many for food, lab work that we cannot do and for prescriptions that we cannot fill. We always do repairs for the schools we use, painting them, repairing their bathrooms, installing ceiling fans and buying floor fans. We need more Bibles, tracts, Gospel of Johns and VBS supplies.

Won't you join us and help us do the work that we have done in Mexico for 10 years? This will be our 10-year anniversary trip.

YOU can help by:

- Praying
- Donating
- Partnering with us on an ongoing basis as many have done.
- Coming on our next outreach November 15 to 19th, 2007
